

Rat Glomerular Culture

C: Control
TGF: TGF- β
 α -T: Anti-TGF β

The image shows a document page with a grid pattern. The page is heavily obscured by large, dark, vertical rectangular blocks, likely representing redacted information or heavy shadows. The grid lines are visible, and some faint text or markings are present, particularly along the top and right edges. The overall appearance is that of a heavily processed or corrupted scan of a document.
